

Meeting Attendance Verifications

In SMART Face-to-Face meetings, requests for attendance verification are not frequent and often the participant has a form or book for you to sign.

On the next page is a fillable .pdf form you can use if/when you get a request in your meeting. Please save it to a folder on your computer. Then it will be easy to fill out, save back to your computer with a new file name, then e-mail to the participant. You can also print this if more convenient.
