

Recruiting Participants!

Exploring SMART Recovery participants' (18+) experiences in substance use recovery

What's involved?

Participants will complete a brief, 15-minute online survey (anonymous and confidential)

To Participate:

Follow the link or scan the QR code to begin the survey

bit.ly/SMARTRecoverySurvey

Your impact:

By helping to shape better support systems and treatment strategies, your participation plays a crucial role in improving the recovery efforts of individuals, families, and friends impacted by addiction.
